

DID YOU KNOW...

You were born with an active soul

What thoughts, feelings or choices do you think you might have had as a baby?

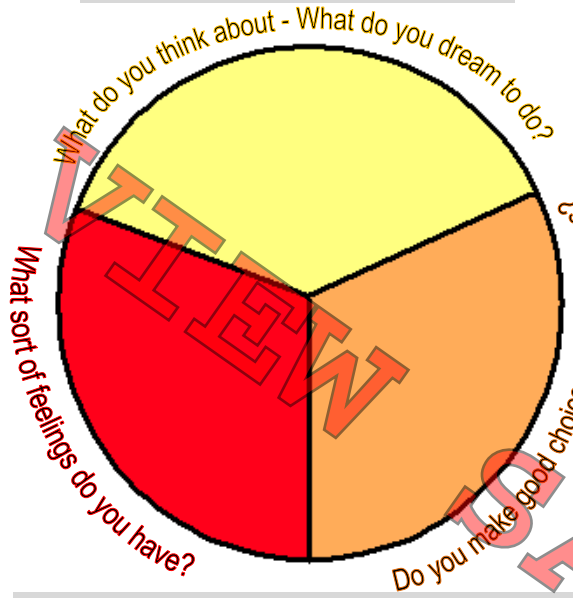

Your soul is formed and grows with you as you grow older and experience life

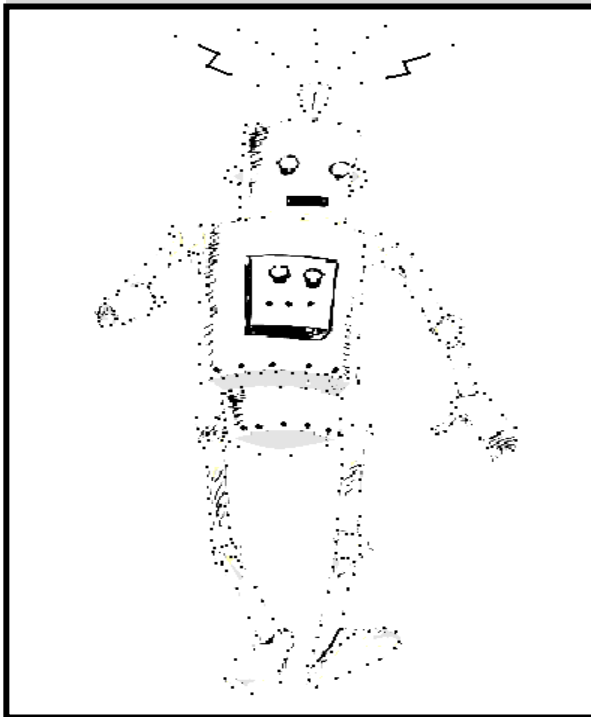

What do you think you might think, feel and make decisions about as an adult?

Have a look into your soul and see what you can find now.

Join the dots to see what you would be like if you didn't have a soul.

DID YOU KNOW...

You were born with an active soul

When you were a baby:
* what did you think about?

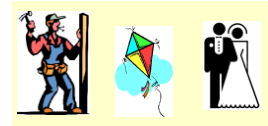

* what feelings did you have?

Your soul is formed and grows with you as you grow older and experience life

When you grow up:
* what will you think about?

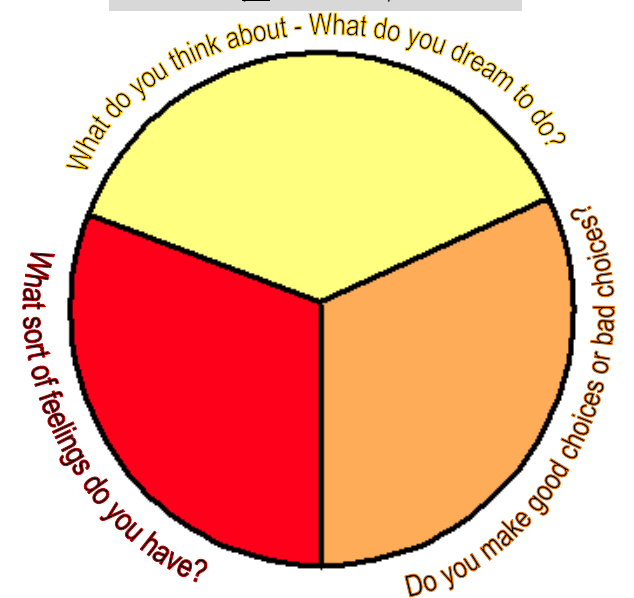

* what feelings will you have?

Search Your Soul!
