Every one lives by the same amount of time. There are 24 hours in each day and ...

Slide 2

... seven days in every week.

Slide 3

I want you to think about the different people who spend time with you.

Like your family...

Slide 4

... friends, and teachers.

Slide 5

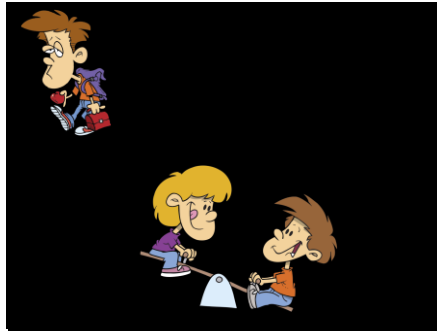

The people in your family may spend time with you when you are home. But sometimes they can be busy doing other things too.

Slide 6

Your teachers spend a lot of time with you when you are at school, but they have to share their time with other students too.

Slide 7

You probably spend a lot of time with your friends, but they have to share their time with other friends too.

Slide 8

So there will be times when you are alone. No one can spend ALL their time with you EVERY day!

Slide 9

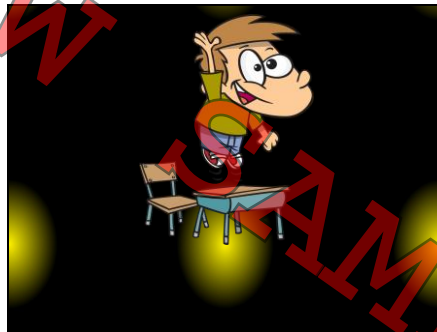

One of the amazing things about the Holy Spirit is that He can spend ALL His time with you, EVERY day. He is with you 24 / 7.

Slide 10

That means every second of every hour, 24 hours a day, 7 days a week, He is with you and in you.

Slide 11

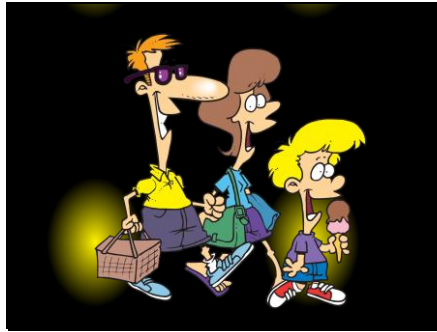

So...when you go to school – He is there with you

Slide 12

When you play sport after school – He is there with you.

Slide 13

When you spend time with your family – He is with you.

Slide 14

When you go to sleep at night – He stays with you.

Slide 15

And when you wake up in the morning – He is still there, waiting for you to say “Good Morning”.

Holy Spirit is never too busy to be with you 24 / 7.
