Look at the person on each side of you.  
Do they look the same as each other?  
Do they look the same as you?  
NO!

Everyone is different.  
Some of you are boys and some are girls;  
some of you have fair hair and skin and  
some of you have dark hair and skin.

Slide 3

Everyone is “ONE OF A KIND”

We are all unique in our own special way,  
which is a good thing.  
Each one of us has our own strengths and  
weaknesses.

The world would be very confusing if  
everyone looked exactly the same.  
How could we tell who was who?

Slide 4

Can you tell what sort of a person someone is by what they look like?

Can you tell if someone is kind or mean by what colour hair they have or by the sort of clothes they wear?

No.

We have to get to know them personally to find out what sort of person they are.

Slide 5

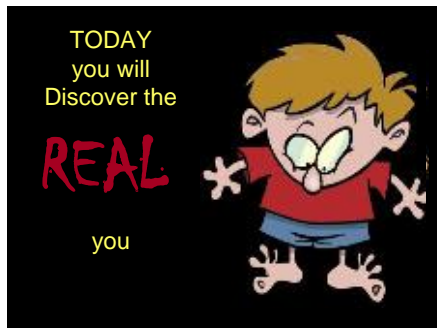

Sometimes we hide who we really are from other people,

OR

We pretend to be better or worse than we really are.

This is like wearing a mask so others can't see who we really are.

Slide 6

Today you will discover the REAL YOU.

The real you, is how God created you to be.
