

Living Water

Our bodies need water to survive physically.
Our SPIRITS need SPIRITUAL WATER to survive spiritually.

This spiritual water is described as living water.

**This living water is the
HOLY SPIRIT.**

John 4:14

Who will be thirsty after they drink the water Jesus gives?

What does Jesus mean when he says we will never be thirsty again when we drink the water He gives?

How does Jesus describe this water he gives?

What does this water give to those who drink it?

John
7:37-39
(NIV)

What do we have to do to have this living water flowing from us?

Who is this "Living water"?

THINK SPOT

Jesus says
this living water
(the Holy Spirit) will
flow out from us.

Why would that
be a good
thing?

Jesus,
I want your Holy Spirit to fill me
to overflowing.

I want this living water to
flow from me. Amen.
